

PARISH NURSE NEWS OF UP-COMING DATES

APRIL 2018

* I am delighted to announce we have new volunteers to be 'Pray-ers' for children as part of Cherish All Children Ministry at WCRCLP! The following are invited to attend service to be recognized & commissioned on 4/8: Chris and Bob Nash, Michael Daus, and DeAnn Springer.

** Also am looking forward to working with our new Visitation Team. Orientation is rescheduled for Sunday, May 6th (following service) -- you are invited to bring a bag lunch— drink and dessert will be provided.

*** May 3rd @ 6:30 to 7:30 "Hands Only CPR" Instructor, Ryan French, from No. Greenbush Ambulance Squad...He needs number attending so will have enough manikins on which to practice, therefore please RSVP on sign up form.

**** June 30 Red Cross Blood Drive 8AM – 1PM.

***** Annual WALK A MILE fund raiser with Alexi of Alexis Diner is set for April 23rd please consider eating a meal there that day (the walk is 4/21 AM see sign-up sheet in Narthex to participate & please register on-line to walk and use name of team = " WCRCLP-LUTHERAN PARISH'S STOMPERS")

Your Health Cabinet needs 2-3 more members: The Health Cabinet is a group of parishioners invited by the Parish Nurse to assist in addressing the health needs of the community and congregation. They help to assess those needs and to plan, implement, evaluate, and follow up on relevant programs. Only 3 events are planned each year. The Cabinet also assists the Parish Nurse in collaborating with other community groups on health-related concerns. If you are interested in participating in the Cabinet, or supporting parish health in some other way, please contact the Parish Nurse.

Many thanks to ALL: to Jon for prep. of rooms for programs; to those providing snacks; TO Darlene and Karen[Health Cabinet] for help planning and working at events; to those who work on Blood Drives, donate blood, or call donors; to Pastor Jeniffer for her *support*, and participation in the healing service ; to all who participate in the Healing Service. And last but not least, thanks to Tonya-secretary- for messages on sign board * there were 13 walk-ins to donate blood due to road sign(which put us over the top of Red Cross's goal for WCRCLP) this past January.
